CAUTIONS:

MOEN 摩恩 Bathroom products are made with superb technology to ensure high quality, beautiful and durable.

Be careful when cleaning the product to avoid damage to the surface of the product. Please clean the surface of the product with water or neutral detergent, and then dry it with a soft towel;

Do not use chemical or corrosive cleaners or rough cloths.

It is recommended to clean the product regularly to ensure its appearance is bright and clean. When using acidic cleaners to clean nearby items, it may damage the surface of the product. Please be extra careful.

INSTALLATION STEPS:

1. Punch a $\phi 6$ holes in the installation position, 30mm deep.
For double posts product, the holes on both sides are in the center drill horizontal holes for installation.
For single post product, drill two horizontal upper and lower holes for installation, as shown in the figure below.

2. Insert the wall anchors into each drilled hole, the end face is flush with the wall.
3. Use wood screws to lock the mounting post to the installation position.
4. Place the product over the mounting post with setscrew facing down and tighten setscrew.

MOEN LIMITED WARRANTY

We offer limited warranty and lifetime maintenance for Moen products, which are all manufactured with high standards of workmanship.

The period of warranty shall start from the date of purchase of the product (according to the invoice or receipt issued by Moen distributors) and shall cover a period of the following: the warranty period for bathroom accessories is 1 year.

This warranty is your coverage against material and workmanship malfunction or defects in Moen products or components. During the warranty period, we offer free maintenance and changing of malfunctioned products or product components. Moen's after sales service liability is limited to the maintenance of faulty items and does not cover your other losses caused by product malfunction, except for otherwise stipulated by law. Cosmetic damages (scratches, dents, etc.) and malfunction or defects caused by abuse or improper maintenance is not covered by this warranty.

Although the warranty period remains valid, in case of the following conditions (1) – (5), the maintenance cost (material cost and labor cost) shall still be charged as the case may be:

1. Corresponding warranty card and valid invoice cannot be presented;
2. Faults were caused by the non-compliance with the instructions and precautions provided in the user's manual;

3. Damages and faults were caused by self-actuated dismantling, repair and retest;
4. Faults and damages were caused by external factors such as force majeure;
5. Damages were caused by transportation, unloading and extrusion, etc.

This warranty is valid for the original consumers only (including hotel use), and excludes industrial and commercial use of the product (except for hotel use). This card is only responsible for product maintenance rather than any other liabilities.

In the event that the product requires maintenance but exceeds the warranty period, or that the product is not covered by this warranty, labor cost and material cost shall be charged as the case may be.

Please call 400-630-8866 or contact local dealer for any question.
