

Technical drawing of a gas connection assembly for a boiler. The drawing shows a side view and a top view.

Side View Dimensions:

- Gas inlet connection: G1/2
- Gap between inlet and boiler body: 7mm
- Distance from inlet to boiler body: 76mm
- Height of the assembly: 380mm
- Distance from boiler base to inlet: 55-60mm
- Boiler body diameter: Ø45mm
- Pipe diameter: Ø20.6mm
- Distance from boiler body to gas valve: 846mm
- Gas valve diameter: Ø44mm
- Distance from gas valve to boiler body: 600mm

Top View Dimensions:

- Distance from boiler body to inlet: 923-1123mm
- Distance from boiler body to gas valve: 848-1048mm
- Distance from boiler body to gas valve: 846mm
- Boiler body diameter: Ø40mm
- Boiler body thickness: 10mm
